1. Describe your current household (people & animals, ages, breed, species)

2. Describe your typical day & lifestyle, including your work schedule, and how a puppy's needs will be met

3. Describe your home & yard (location, fencing type & height, set up, provisions for the dogs, where dogs sleep, hang out; where they are not allowed to be)

3b. Do you own or rent your home? If you rent, do you have written approval from the owner to have a dog.

4. What dogs have you had during your life? What happened to those dogs?

5. Have you had a NSDTR before? If not, why do you want a NSDTR? If you have had NSDTR, when? What happened to those dogs?

6. How will you be housebreaking this puppy?

7. What puppy & training classes are available to you locally? When do you plan to start puppy classes? When do you plan to start other classes after finishing puppy class?

8. What is your time frame for acquiring a puppy? We rarely breed more than 1 litter per year, so you may have to wait. Are you willing to wait for the right dog? How long?

9. We select the puppies for each family, since we know our pups better than anyone else. If two equally suitable puppies are available, then we allow the puppies and you to let us know what's the best match. How do you feel about this? (Note: even if approved, if we do not have a puppy who matches you, we will not sell you a puppy from that litter)

10. What will you do with you NSDTR when you go on a holiday?

11. Are you aware that NSDTR are a high-energy sporting breed and are very active dogs requiring plenty of exercise? How will you take care of their needs?

12. Are you willing to stay in close contact with us, openly discuss any training or health problems you have, and agree to give us right of first refusal should you be unable/unwilling to keep the dog?

13. What do you expect from us as your pup's breeder?

14. What questions/concerns do you have? Please feel free to ask any questions about our dogs.

Please provide references from your vet, your current trainer/instructor, or two friends who know you well in regards to your dog activities. These references will be checked; please provide phone numbers and also email address if possible.
